PROFILE

Computer Engineer and Server Infrastructure Specialist focused on software development, full stack websites, and servers. I've been developing full-stack web and mobile applications since 2019, and look forward to continuing my journey in creating engaging and innovative solutions.

WORK EXPERIENCE

Foreman / Manager │ Pine Tree Corner LLC
Nov 2019 - Jan 2025

- Managed and led operations for the maintenance and care of the land owned by Pine Tree Corner LLC.
- Manual labor intensive job, including standing 7-8 hours per day. Operated heavy equipment like tractors, chain saws, and commercial mowers, while enduring all weather conditions.
- Tree salesman during winters when the farm operated as a christmas tree farm.

Personal Projects │ Self Employed
2019 - Current

- Since 2019 I've made a series of web and mobile applications as personal projects to dive deep into the world of programming. All my apps can be found on my portfolio at digitalcaldwell.com. My projects are also all open source and can be found on my github, @DCmax1k.
